Letter No 44 dated 29-9-1927 from the President, Davangere municipality to the Deputy Commissioner, Chitaldrug District

I have the honor to forward herewith two reports D/6-12-1926 and 28-1-27 presented by the Pandit of the Ayurveda Vaidyasala maintained by this municipality requesting increase of the monthly grant for medicine from Rs 15 to Rs 30 and the copy of the council's resolution passed thereon for information and favor of obtaining sanction of Government therefor at an early date

This institution was established in the year 1917 as per G O No 4730-2/Med 11-16-39 D/25th January 1917 vide council's resolution dated 18-7-1917 The average attendance of out-door patients which was 25 to 30 in the beginning has now come up to 40 and there is every likelihood of its going up to 60, if sufficient allotment is sanctioned towards the purchase of drugs &c This institution being situated in the thickly populated centre of the old town, most of the inhabitants of the locality are resorting thereto and receiving treatment The Pandit who is in charge of the Vaidyasala is a passed candida in Ayurveda and is popular with the general public

Under the above circumstances I request you to be so good as to move Government to kindly accord sanction for the proposal of the Municipal council

The additional amount required for the purpose may be met out of Rs 360 sanctioned under E 3 d medicine in the current year's budget where provision had been made for this increased expenditure

Found to becoming popular from day to day
for the purchase of medicines only Rs 15/- per month are being paid from 1st July 27
